SELECTMEN'S PROGRESS REPORT

Article IX of the 1974 Town Meeting Warrant.

An indepth structural study of the Town Hall has been made. It was found that the building is structually sound and worth renovating or repairing.

A Town Hall Building Committee has been formed of four local contractors, one selectman, one planning board member and the Police Chief. This committee is working on proposals to bring to the towns people at a meeting later this year.

We would like to thank this committee for their very sincere effort in getting this project off the ground.

It has been brought to the attention of the Board of Selectmen that people are building, renovating or both without building permits. This practice is clearly against the law. It could cause great inconvenience, expense or both to the property owners if it is continued.

Due to the overload of work at the Department of Revenue Administration, Division of Municipal Accounting, we are not able to print in our Town Report, the certificates of audit except for the Water District. We will print these reports in next years Town Report.

On the rebuilding of Foundry Street, we will not extend that project this year but will continue working the part that has been rebuilt. We will continue onto Silver Street next year, working in conjunction with the Sewer District so as to eliminate the digging up of new construction for sewer line installation.

We would like to thank the Fire Department, Police Department, Highway Department and all Boards and Committees for their sincere efforts and work toward the betterment of our Town.

This year has seen a program to assist the elderly and needy with their housing problems instituted in Rollinsford. This was accomplished almost entirely by one first year Selectwoman, Grace Joncas. A big WELL DONE and THANK YOU, Grace.

STATE OF NEW HAMPSHIRE

STRAFFORD, SS

WARRANT FOR ROLLINSFORD TOWN MEETING
TUESDAY, MARCH 4, 1975

TO THE INHABITANTS OF THE TOWN OF ROLLINSFORD,
COUNTY OF STRAFFORD, STATE OF NEW HAMPSHIRE,
QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified that the polls will be open from 10:00 a.m. to 6:00 p.m., at the Rollinsford Town Hall, on Tuesday, March 4, 1975, to bring in your ballots for the Town Officers to be elected in Article I, and to meet at the Rollinsford Grade School at 8:00 p.m. on the same day to act upon the budget and other articles in the Warrant, as follows:

ARTICLE I:

To bring in your ballots for:

One (1) Selectman and Overseer of the Poor for three (3) years.
Town Clerk for one (1) year.
Town Treasurer for one (1) year.
Chief of Fire Department for one (1) year.
Three (3) members of the Budget Committee for three (3) years.

ARTICLE II:

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment makes changes in the title of land use regulations with the effect of expanding and liberalizing selected land uses by zones.

ARTICLE III:

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment amends Section 6 of the present ordinance to establish a Conservation District adjacent to the Salmon Falls River, north of the Boston and Maine Railroad, in the present Industrial District. The land would be used for conservation and outdoor recreation activities.

ARTICLE IV:

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment redefines the terms "lot" and "home occupation" and defines the following terms to be added to the ordinance: site plan, Planning Board, and farming.

ARTICLE V:

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment rewrites the previous Section 11 dealing with the Board of Adjustment. It outlines the powers of the Board, provides for an appeal procedure, and establishes conditions for granting variances and special exceptions.

ARTICLE VI:

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment rewrites the present Section 3 to better define each of the zoned districts in the town. It lists each of the six districts and briefly defines the purpose of each. It also adds the new Conservation zone.

ARTICLE VII:

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows:

This amendment restates the present Section 7 Land Use Requirements Table with the addition of requirements for the new Conservation Zone. Two new footnotes are also added, the first established a minimum 100' setback to building on Route 4; and, second a minimum 250' setback from the Salmon Falls River.

*Footnote No. 5 was expanded to include "Country Residential".

ARTICLE VIII:

Are you in favor of the adoption to empower the Planning Board to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site:

This would authorize the Planning Board to adopt regulations to review, approve, or disapprove industrial or commercial development that does not involve subdivision of land.

ARTICLE IX:

To choose all other necessary Town Officers for the ensuing year.

ARTICLE X:

To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972, for use as set off against budget appropriations in the amount indicated; and to further authorize selectmen to make prorata reductions in the amounts if estimated entitlements are reduced or take any other action hereof:

<u>APPROPRIATION</u>	<u>ESTIMATED AMOUNT</u>
Police Department Expense	\$10,000.00
Fire Department Expense	2,000.00
Highway Department Expense	4,000.00
	<u>\$16,000.00</u>

ARTICLE XI:

To see if the Town will vote to accept the budget as submitted by the

Budget Committee.

ARTICLE XII:

To see if the Town will authorize the Selectmen to borrow money in the anticipation of taxes.

ARTICLE XIII:

To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate that has been or may be acquired through Tax Collector's Deeds.

ARTICLE XIV:

To see if the Town will vote to authorize the Selectmen to accept two (2) roads in Presidential Park, when said roads are brought up to State and Local specifications.

ARTICLE XV:

(If ARTICLE XIV is accepted.)

To see if the Town will vote to name the existing road running from Main Street through Presidential Park to Pine Street Beccaris Memorial Drive, and the land running East off said road to be named Partridge Lane.

ARTICLE XVI:

To see if the Town will vote to authorize the Selectmen to sell through competitive bidding, land off the end of Washington Street consisting of 1,602 square feet, more or less.

ARTICLE XVII:

To hear a report on the findings of the structural study of the Town Hall.

ARTICLE XVIII:

To transact any other business that may legally come before this meeting.

Given under our hands and seal this 8th day of February, in the year of our Lord, Nineteen Hundred and Seventy-Five.

I would, at this time, like to thank the townspeople and the Selectmen of Rollinsford for making my job a little easier to cope with during 1974. I would also like to take a few moments and a little space to thank the weekend men for their faithful and loyal devotion and thanks also to Sgts. Mike Cheney and Ed Libby for a very professional job well done. The Police Department did it's very best to bring the townspeople home protection and personal safety during the year 1974 and will continue to update itself by bring you the people the coverage it's entitled to in 1975.

1974 PLANNING BOARD REPORT

Subdivision and Zoning Ordinances are often issues of major controversy in many communities. Advocates of these regulations argue that land use controls are necessary to promote orderly growth and to protect the character of the community. Without such controls, the community is subject to the possible sudden influx of housing development that may cause the demand for local service and taxes to skyrocket. Opponents of these regulations argue that land use controls are an infringement upon their personal property rights and freedom.

Citizen Petition:

Opposition to Rollinsford's Subdivision and Zoning Regulations surfaced in the form of two petitions presented to the Selectmen on January 17, 1974. These petitions, signed by approximately 140 persons, petitioned that the Planning Board be abolished and that the Zoning Ordinance be amended by "striking out the same in its entirety." In compliance with the provisions of RSA 31:63(c), the Rollinsford Planning Board immediately scheduled two public hearings on the proposed amendments. Although two public hearings were held by the Planning Board, the proposed amendments were not submitted to the voters because Town Council informed the Selectmen and the Planning Board that insufficient time had elapsed between the receipt of the petitions and the Town Meeting to permit compliance with legal requirements of the State (a minimum of 49 days is required).

Major concerns about the existing ordinances expressed at the two public hearings were:

1. Prohibition of residential construction in the Industrial Zone
2. Restrictions on mobile homes
3. Commercial development along Route #4
4. Minor subdivision procedures.

Amendment of Subdivision Ordinance:

On June 27, 1974, the Planning Board held a public hearing on amendments to the Subdivision Ordinance. The amendments were proposed to correct subdivision administration problems that had come to the attention of the Board as a result of citizens complaints, comments by the Board of Adjustment and experiences of the Planning Board. Following the public hearing, the Planning Board adopted the proposed amendments. The major changes included:

- a) Modifying the minor subdivision process
- b) Making sidewalks and curbs mandatory in subdivisions with new streets, except where waived by the Board.

Amendment of Zoning Ordinance:

On December 10, 1974, after a study covering more than one and a half years, the Planning Board held the first public hearing on proposed amendments to the Zoning Ordinance. The major amendments proposed were:

1. Provision for residential uses in the industrial zone

2. Establishment of a conservation district along the Salmon Falls River north of the B & M Railroad.
3. Changes in definitions.
4. Clarification of the functions and procedures of the Board of Adjustment.
5. Description of the purpose for each Zoning district.
6. Reduction of minimum lot size and setbacks in the Country Residential and Suburban Districts when municipal sewer or water is available.
7. To empower the Planning Board to review and approve or disapprove site plans for the development of tracts for non-residential uses.

The voters will vote by ballot on these amendments at the annual Town Meeting. The passage of these amendments should eliminate some of the problems experienced with zoning during the past three years.

Salmon Falls Mill Village Historical Study:

A study of the Salmon Falls Mill Village was completed by the Strafford Regional Planning Commission and presented to the Rollinsford Planning Board. A copy of the report was sent to property owners in the Village. The findings of the study were discussed at a public hearing on December 17, 1974. The report recommended steps be undertaken by Rollinsford to revive and preserve this unique New England mill village. Articles about the village subsequently appeared in the New Hampshire Profile Magazine and area newspapers. The "village" was also featured in TV news stories on Channel 9 and Channel 6. A citizen's committee, coordinated by Fred Green, has been organized to study the report's recommendation that a historical district be established in the village.

Subdivision Approvals:

Three minor subdivisions were approved during the year and two other applications were returned to the applicants for changes or additional information. No large subdivision applications were received during the year.

COMMISSIONERS' REPORT ON THE STRAFFORD REGIONAL PLANNING COMMISSION

We will make an effort to report to you in as simple and concise way as possible the present status of our regional planning effort, its financial structure and its plans for the future. We are using the 1974-75 fiscal year starting July 1st as our reference guide.

What is the area of the Strafford Regional Planning Commission? It consists of the thirteen towns and cities of all of Strafford County and two towns of Rockingham County. They are listed as follows with the amount of dues received annually from those member towns which have voted to join the region. There is nothing compulsory about joining the Commission and it is entirely up to the town's people to decide if they wish to belong

Barrington	\$-----	New Durham	\$-----
Dover	12,050	Rochester	-----
Durham	3,375	Rollinsford	1,275
Farmington	-----	Somersworth	5,175
Lee	950	Strafford	-----
Madbury	425	Newmarket (Rock)	1,750
Middleton	407	Nottingham (Rock)	850
Milton	-----	TOTAL Dues	\$26,275

You will notice that of the thirteen Strafford County town and cities, seven are members and six are not. Every effort is being made to get the non-member towns to join and we have good reason to believe that possibly two or three more communities may join in the 1975-76 fiscal year.

Why do we have to assess dues to member towns? Because in order to get state and federal funds it is necessary to have a percentage of local funds to match with these funds. Some are a 50-50 match and others could be 1/3 to 2/3 and yet others require no match at all. So you can see that the more local funds we have the greater our chances are to receive matching funds.

We have an office in Dover which is staffed by a permanent force of an executive director, planner and a secretary. During the course of the year we employ on a part time basis various assistants, such as planners, draftsmen, work study students, etc. A goodly part of their salaries are paid for through other agencies such as the Work Study Students Program, paid 80% by the University of New Hampshire and 20% by the Region. Public Service Employment Act funds are also being used to pay for our help, and by the looks of things now will be used more in the future. We also get help through other agencies such as H.E.W. and VISTA. As you can see, a regional agency is a good vehicle to use to get as much outside assistance as possible.

Rollinsford this year did get a good deal of local assistance from the region in two areas: one in the preparation and publication of the Historic District study for the Salmon Falls Village which has received so much praise and publicity because of its unique character. This may also turn out to be a basis for possible future funding assistance in developing this area. Also the regional commission assisted the selectmen in preparing and facilitating the application for low-income housing assistance from the State of New Hampshire for the elderly and physically disabled which has been approved by the State Housing Agency.

Just to give you some idea of our financial structure and how we operate we are listing below our estimated income account for 1974-75 fiscal year. This is usually made up in June before the fiscal year begins and is as follows:

Municipal Contributions	\$26,257
Federal 701 HUD Funds	20,000
State Funds	6,000
Coastal Zone Management	18,000
Bureau of Outdoor Recreation	3,333
Carry Over Estimate	<u>12,000</u>
Total Estimated Income	\$89,500

This does not necessarily mean that we will get all of these funds as they are subject to change during the year. On some items we will get more and on others less or none at all. But, it is a guide for us to follow, and we do manage to stay within our budget. Next fiscal year should see some changes in the area of income as the President and Congress see fit to discontinue some programs, and add new ones or supplement existing ones. At times programs are approved by Congress and then the financing of them is held up by the Office of Management and Budget because the funds are just not available at the time.

The above income is budgeted in the following general categories:

Salaries	\$40,000	Consultants	\$29,000
FICA (Comm. share)	2,310	Audit	365
Insurance Bond	124	Reproduction	2,000
Rent	3,000	Bks/Subs/Dues	500
Tel/Elec	1,200	BC/BS	1,581
Supply	2,300	Reserve	<u>4,620</u>
Travel	2,000		\$89,500
Equipment	500		

This money is spent on sixteen different categories of projects which have been projected by our Overall Program Design. This is a requirement that must be fulfilled before any money would be available to us.

These are all planning programs and include such areas as land use, housing, solid waste disposal, public transportation, coastal zone management, economic development, coordination with higher levels of government, recreation and open space, local assistance, and various other planning programs of regional and state significance.

By the Governor of New Hampshire's executive order it has become necessary for us to join two other regional commissions this year. These are the Southeastern New Hampshire and Southern Rockingham Commissions. This is called the Strafford-Rockingham Regional Planning Council which consists of about 42 towns and cities and is the fastest growing area in the State. For greater efficiency and better planning the state government felt that our former sixteen planning commissions were too cumbersome and wasteful and the unless something were done about it they would withhold state and federal funds.

In Washington the trend now is to stress Revenue Sharing with the states and giving them much more power and control of Federal Revenues. They are attempting to break up the big bureaucracies is too unwieldy, and wasteful. The hope is to de-centralize the distribution of the funds for various programs through the states because they are closer to the people and should be more knowledgeable as to their needs. Therefore the need by the States to set up regional agencies to plan and channel funds throughout the state. This will not change at this time the local status of our own Strafford Regional Planning Commission. We will still have our office and staff and do our local regional planning.

What are our plans for the future? We, as commission members, are aware of the many problems which face this nation such as energy, unemployment, pollution, waste-disposal, crime, housing, education, health and welfare, social programs, etc., that go beyond the ability of small local governments to cope with them. In fact, in this complicated world structure can any one government presume to have all of the answers? So we in our own small way believe that we should cooperate with our immediate neighboring communities, our state and federal government agencies to try to make this a livable world.

CONSERVATION COMMISSION REPORT FOR 1974

The members of your Conservation Commission wish to thank the officials of the federal, state, regional, and local levels for the fine cooperation during the past year.

Due to a conflict of schedules of your commission, and other groups in Town, certain projects were not started, or completed, but these projects will not be abandoned.

The survey of Town owned land has been completed, and plans for a mini-park are being made by members of the commission.

With the cooperation of the Town highway department, your commission will be making plans for the planting of grass, trees or shrubs around the Town garage on Silver Street. We also plan to plant trees at the cemetery.

Your commission has planted several trees this past year. Four were planted on Silver Street and three were planted at the monument at the cemetery. The commission will be looking at the possibility of planting some trees around the Front Street area.

I, as chairman of the commission, would like to express my thanks to the following for their fine work, and attendance of our meetings: Paul and "Dot" Hanson, Ernest Lennon, Michael Peters, George Leuchs, and "Tom" Gainty.

The one thing that your commission really needs is your personal involvement in conservation. You do not have to be a member to attend the meetings, give us ideas, and help. Please become involved in your Town.

Respectfully submitted,

Martin P. Lussier,
Chairman

CONSERVATION COMMISSION

The undersigned, Treasurer of the Rollinsford, New Hampshire Conservation Commission, submits the following report:

The balance on hand at the commencement of the year was one thousand and three hundred and seven dollars and thirty-seven cents. There was received from all sources during the year, one thousand and five hundred and seventy dollars and eight-four cents; during the same time the expenses amounted to one thousand and four hundred and twenty-three dollars and fifty cents leaving a balance on hand of one thousand and four hundred and fifty-four dollars and seventy-one cents.

The annexed statement of receipts and expenditures will show in detail the sources from which the receipts were obtained, and the objects to which the expenditures have been applied.

All of which is respectfully submitted,

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Commissioners
Salmon Falls Village Water District
Rollinsford, New Hampshire 03869

Gentlemen:

In Accordance with your request, an examination and audit of the accounts of the Salmon Falls Village Water District for the fiscal year ended December 31, 1973, has been made by this Division. Submitted herewith is our report of this examination in the form of Exhibits as hereafter listed.

As indicated in our previous audit report, the value of fixed assets listed in the Comparative Balance Sheets, was estimated by reference to unaudited information contained in published Town reports. We are therefore unable to express an opinion regarding the financial condition of the District at December 31, 1973.

We again want to stress the necessity of maintaining adequate records for the Fixed Asset accounts (Plant, Property and Equipment) owned by the District. Also, a general ledger containing proprietary and profit and loss accounts should be maintained to provide accurate periodic operational results and the financial conditions of the District at the end of each fiscal period.

Conclusion:

The provisions of Chapter 71-a, Section 21, require that the auditors' summary of findings and recommendations shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We express our thanks to the officials and office staff of the Salmon Falls Village Water District for their assistance during the course of the audit.

Very truly yours,

Frederick E. LaPlante, Director
DIVISION OF MUNICIPAL ACCOUNTING

TOWN OF ROLLINSFORD
SCHOOL DISTRICT

February 11, 1975

To Residents of the School District:

The proposed school district budget for the 1975-76 school year stands at \$524,916. This amount is \$8,850 less than the amount proposed by the School Board to the Budget Committee. The Board has since voted, however, to concur with the recommended cuts of the Budget Committee of \$8,300 in contracted services for maintenance (boiler improvements) and \$550 in new equipment. The budget as now proposed represents a \$53,830 or 11.43% increase over the current operating budget of \$471,086.

A problem arises however when the 1975-76 net budget or amount to be raised by local taxes is compared with 1974-75. The board had a balance on hand of \$32,891 at the close of the 1973-74 school year which actually served to reduce the cost to the local taxpayer for the current budget by 11.5% or \$41,820 less than the net appropriation for a 19.9% or \$72,183 increase over the local tax assessment (net budget) for 1974-75. When compared with the 1973-74 net budget of \$404,671, however, the proposed 1975-76 budget represents a \$30,363 or 7.5% increase.

The revenue sheet which is the last page of the attached budget shows a \$42,148 increase in tax appropriation for 1975-76 budget when compared to 1974-75. It should be pointed out that that amount represents an increase over the projected revenues of a year ago and since the revenues were increased by the unencumbered balance of July 1, 1974, the real increase in property taxation will be \$53,830 as noted above.

The major causes of increase in the proposed 1975-76 budget include the following: salary increases of approximately 9%, increased time for secretarial service, added position of library aide which this year has been funded from Federal monies, \$1,000 for library books, teaching supplies increase of \$1,596, field trips and curriculum development - \$1,100, contracted services for maintenance - \$2,000, medical and life insurance - \$1,100, tuition to public schools - \$27,000, tuition to private schools for special education purposes - \$2,000, and supervisory union expenses - \$2,000.

The Rollinsford School Board is continuing to give attention to improved educational program while minimizing costs. The Board welcomes your comments on its budget prior to its work of finalizing the budget for the vote at the School District Meeting on Tuesday evening, April 2, 1975.

Martin P. Lussier, Chairman
Rollinsford School Board

RESPONSIBILITY OF THE SCHOOL

The following is an extract from the manual published by the State of New Hampshire Department of Education entitled, "Minimum Standards and Recommendations for New Hampshire Public Elementary School Approval."

The New Hampshire Elementary School Should:

- . have clearly stated purposes that represent its commitment to children, to knowledge, and to society;
- . have a responsibility beyond the teaching of the "basic skills";
- . reflect a concern for self-concept and personality development of children;
- . provide opportunities for children to practice and to learn the skills of effective group living as a part of their learning experiences;
- . demonstrate its respect for the individual;
- . foster creativity in children;
- . recognize and must make provision for meeting the individual differences among children;
- . relate the learning experiences of children to their world and to reality as they know it;
- . provide opportunities for children to share in planning and organizing their classroom activities;
- . view evaluation as a continuing activity, that is, an integral part of learning rather than an aftermath;
- . be responsive to children's needs that arise from conditions peculiar to the home, the community and the neighborhood;
- . be free to develop the specifics of its instructional progress;
- . use the time of children and staff in ways that are consistent with the purposes of its instructional program;
- . be of reasonable size and must maintain classroom units that foster optimum learning opportunities;
- . purposely place each child in a setting that best promotes his learning;
- . be attentive to the problems created by transitions from grade to grade, and school to school;
- . effectively utilize the strengths of its staff;
- . extend beyond the four walls of the classroom and beyond the physical limits of the school building;
- . have superior leadership;
- . have a competent staff;
- . assume a leadership role in the community

FACULTY

The teaching staff has changed from eleven teachers to ten classroom teachers and one physical education instructor. Miss Susan deMoya was hired, on a part-time basis, as physical education instructor.

Mrs. Melinda Lash, fourth-grade teacher, has returned after a leave of absence. A vacancy in a sixth-grade position was capably filled by Miss Sandra Meyer. Mrs. Mary Lyster, Reading Consultant, has replaced Cathy Valentine on a part-time basis.

Mrs. Barbara Lawton is again conducting the classroom music program on a one-day-per-week basis. Mr. Chellis Carville conducts instrument instruction one day per week.

We have the services of Mrs. Christina Reishus as Title I Reading Aide. Miss Elaine Lauterborn has continued as Guidance Counselor.

READING PROGRAM

The Reading Program is being carried on using a team approach which includes a Speech Therapist, a Counselor, and a Reading Consultant working together to assess student needs and recommend materials and procedures to classroom teachers. Special tutoring services are being offered some students whose current needs can best be met on a one-to-one or small group ratio. These services are provided by a Title I federally sponsored tutor and a second tutor employed by the Town of Rollinsford. Both of these tutors work with children five mornings per week. We also have a parent volunteer who works with children one morning per week. We are attempting to meet the needs of students of all ages and have been able to work with all referrals at least once per week and sometimes daily as shown by the need.

My role is one of diagnosing instructional levels, specific skill strengths and weaknesses and working with the tutors planning programs based on our findings. I believe that more children can be helped by employing paraprofessionals to carry out instructional programs thus freeing the specialists to assess developmental needs, suggest early intervention methodology and provide for the special needs of the remedial student.

We are working as a staff assessing current programs and possible curriculum revisions for next year. The reading tutors and aides are essential to the success of the program and of course the pivotal person is the classroom teacher. The program I am striving to build will encompass all of these people working with Special Services Personnel with one common goal in mind - the best possible education for the students of Rollinsford Grade School.

Mary D. Lyster
Reading Consultant

SPEECH THERAPY PROGRAM

The speech program serviced children with articulation disorders, organic and functional voice disorders, delayed speech and language development and auditory perception deficits. The children are seen once a week on a one-to-one or group basis. Sessions are 20-30 minutes in length.

An integral part of the speech program is the home program that is individualized to meet each child's special speech needs - this booklet explains how the sound is made, and includes games and exercises to reinforce correct speech.

In the fall, each classroom is screened for speech problems - teacher referrals are accepted throughout the year. Twenty-four children were serviced in the 1974 academic year.

CONCLUSION

I extend my appreciation to the Rollinsford Townspeople, Lions Club, and P. T. O. for the warm reception I have received.

The teachers and I are thankful to those volunteers who have aided within classrooms and to those volunteers who have assisted with re-surfacing the gymnasium floor and other maintenance work. Thanks are extended to the Somersworth High School Vocational Education Department for the fine job the high school students have done grading the field behind the school in preparation for seeding and fertilizing to increase the playground area. We appreciate the general clean-up of the school and the building of study units and shelves by these same students.

I wish to thank the P. T. O. members for sponsoring the Halloween Party and conducting fund raising activities to support the educational and recreational needs of our children.

Respectfully submitted,

David S. Chick, Principal

MINUTES OF THE ANNUAL SCHOOL MEETING

The meeting was called to order by the Moderator, Albert Labrecque, at the Rollinsford Grade School, at 7:35 P. M. on April 2, 1974. The warrant was read by the moderator in its entirety.

ARTICLE 1. To choose a moderator for the coming year.

Clara McCann made a motion to nominate Albert Labrecque for moderator, seconded by George Leuchs. George Leuchs made a motion to cease nominations, seconded by Fred Barry. Motions carried.

ARTICLE 2. To choose a clerk for the ensuing year.

Clara McCann made a motion to nominate June Barry, seconded by Mrs. Laliberty. A motion was made by George Leuchs to cease nominations, seconded by Fred Barry. Motions carried.

ARTICLE 3. To choose a Member of the School Board for the ensuing three years.

Mr. McCann had filed for position with the school clerk. No further nominations from the floor.

ARTICLE 4. To choose a Treasurer for the ensuing year.

Shirley Curtis had filed for position with the school clerk. No other nominations from the floor.

18 ballots were cast and the following were the results:

Moderator	Albert Labrecque	17 Votes
	June Barry	1 Vote
Clerk	June Barry	16 Votes
Treasurer	Shirley Curtis	18 "
School Board Member	Edward McCann	18 "

ARTICLE 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

A motion was made by George Leuchs, seconded by Bob Garneau to accept Article 5 as read. George Leuchs made a motion to increase the salaries as follows:

Moderator	\$ 20.00
Clerk	50.00
Treasurer	200.00

The vote on the amendment was carried 8 - 2. The vote on Article 5 as amended was carried.

ARTICLE 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

A motion was made by Fred Barry, seconded by George Leuchs to accept Article 6 as read. Motion carried.

ARTICLE 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

A motion was made by George Leuchs to accept Article 7 as read, seconded by Clara McCann. Motion carried.

ARTICLE 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

A motion was made by Edmund Jansen seconded by Fred Barry to adjust the figure approved by the Budget Committee, which figure was \$474,451.00, to a figure of \$471,086.00. This adjustment to be made because when the budget was submitted we were unsure of the status of St. Thomas High School. Motion carried.

ARTICLE 9. To see if the district will authorize the school board to make application for and to receive in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereinafter be forthcoming from the United States Government or any department or agency thereof.

George Leuchs made a motion to accept Article 9 as read, seconded by Mr. Lauze. Motion carried.

ARTICLE 10. To transact any other business that may legally come before this meeting.

George Leuchs made a motion to adjourn, seconded by Fred Barry. Motion carried. The meeting was adjourned at 8:34 P. M.

Respectfully submitted,

June Barry
Clerk

 Chief of the Fire Department for one (1) year.
 Three (3) members of the Budget Committee for three (3) years.

After the votes were counted, the Moderator announced the following results:

Selectman and Overseer of the Poor	Grace L. Joncas - elected
Town Clerk	Eugene Berube - elected
Town Treasurer	Joseph Porter - elected
Fire Chief	Ronald Brown - elected
Three members of Budget Committee	Kenneth Bolduc - elected
	Lester Eldridge - elected
	Arthur Osbon - elected

ARTICLE II. To choose all other necessary Town Officers for the ensuing year.

Trustee of Trust Funds

Lester Eldridge nominated Eugene Berube. Ovid Viel moved that nominations cease, seconded by Kenneth Bolduc. One vote was cast by the Clerk and Eugene Berube was elected.

Parks & Playgrounds

Martin Lussier nominated Michael Peters. Ovid Viel nominated Edward Glovinski. Martin Lussier moved that nominations close, seconded by Ovid Viel. The vote was taken and Edward Glovinski was elected.

At this time, George Leuchs moved that Article 10 be moved out of order, seconded by Ovid Viel. A vote was taken to move Article 10 - vote was in affirmative.

ARTICLE X. To see if the Town will vote to elect a Fence Viewer and Surveyor of Wood and Lumber, duties now with the Board of Selectmen.

Ovid Viel moved to accept Article 10 as read, seconded by Daniel Matthews. At this time, the article was opened for discussion. After the discussion, a vote was taken on Article 10 and vote was an affirmative.

Fence Viewer

Ovid Viel nominated Paul E. Janetos for fence viewer, seconded by Jean Dionne. John Lawlor nominated Blis Garvin, seconded by Robert Garneau.

A vote was taken and Paul Janetos was elected.

Surveyors of Wood & Lumber

Lester F. Eldridge nominated Paul Hanson.
 Ovid Viel nominated Edward Glovinski.
 Edmund Jansen nominated Clyde Roberts.
 Paul Hanson nominated Michael Peters.
 Ovid Viel nominated Albert Viel.
 Phebe Colprit nominated John Beekman.

George Leuchs moved that nominations cease, seconded by Martin Lussier. All six nominees were elected.

Martin Lussier moved to take up Article 6, seconded by Edmund Jansen. Ovid Viel said that there was no need to move Article 6 out of order. A vote was taken to move Article 6 - vote was negative.

Newly elected Town Officers and officials were sworn in by Judge Ovid Viel.

ARTICLE III. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for use as set-off against budget appropriations in the amount indicated; and further, to authorize the Selectmen to make prorata reductions in the amounts if estimated entitlements are reduced or take any other action hereof:

APPROPRIATIONS

ESTIMATED AMOUNT

Police Department Expense	\$10,000.00
Fire Department Expense	2,000.00
Highway Department Expense	<u>4,000.00</u>
	\$16,000.00

Martin Lussier moved to accept the article as read, seconded by Lester F. Eldridge.

After a discussion, a vote was taken - vote was in the affirmative.

ARTICLE IV. To see if the Town will appropriate a sum of \$755.00 for the purchase of a new 40' extension ladder for the Fire Department.

Martin Lussier moved to accept the article as read, seconded by Lester F. Eldridge. After an explanation by Rohald Brown, Fire Chief, a vote was taken and article 4 carried.

ARTICLE V. To see if the Town will appropriate the sum of \$1,300.00 for a bottom on the 1959 Tank Truck for the Fire Department.

Martin Lussier moved to accept the article as read, seconded by Rosemary Boretti.

Again, after an explanation by Chief Brown, a vote was taken and article 5 carried.

ARTICLE VI. To see if the Town will authorize the Selectmen to erect gates and bars on the entrance of Fresh Creek Road at the intersection of Sligo Road and Baer Road.

After approximately one hour of discussion and amendments on the pros and cons of closing this road, a vote was taken and the article was voted down.

ARTICLE VII: To see if the Town will appropriate the sume of \$2,500.00 to be used in a Town Equipment Fund.

After a lengthy discussion, George Leuchs moved to amend Article 7 to read \$5,000.00, seconded by Ronald Brown. After much discussion on the amendment, the Moderator called for a vote on Article 7 as amended. Carried.

ARTICLE VIII. To see if the Town will appropriate the sum of \$3,000.00 for the purchase of a new Police cruiser.

Martin Lussier moved to accept the article as read, seconded by Paul Hanson.

After much discussion and amending, a vote was taken on the original article as writted and carried.

ARTICLE IX. To see if the Town will appropriate the sum of \$2,000.00 for an indepth professional study of the Town Hall to determine if it is sound and worth renovating.

Martin Lussier moved to accept the article as read, seconded by Lester F. Eldridge.

At this time, Edmund Jansen read a report from the Building Committee established by the Board of Selectmen. The report was informative and interesting as far as it went, but an extensive study should be made and this would cost money.

Daniel Matthews moved to amend the article to read not to exceed \$1,500.00.

A vote was taken on the amendment, and carried.

A vote was taken on the article as amended and carried.

ARTICLE XI. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

Before discussion was opened, a correction was made on the budget as presented correcting the total to read \$210,001.53 due to a typing error.

Martin Lussier moved to accept the article as read and corrected, seconded by Richard Bradbury.

After discussion and amending, a vote was taken on the amended budget - article carried.

ARTICLE XII. To see if the Town will authorize the Board of Selectmen to borrow money in anticipation of the collection of taxes.

Martin Lussier moved to accept, seconded by Edmond McCann. There being no discussion, a vote was taken and motion carried.

ARTICLE XIV. To transact any other business that may legellay come before this meeting.

Lester Eldridge moved that the following Resolution be voted on: Do you favor a refinery in this area? The motion was seconded by Robert Larochelle.

The Moderator explained that a resolution was only aksing for your opinion.

After much discussion, a legal opinion was asked for. The meeting decided that this was not legal business to come before this meeting and voted no.

Frederick Barry moved to see if the Town will vote to join the Strafford-Rockingham Regional Planning Council, seconded by Martin Lussier.

A vote was taken and carried.

Martin Lussier moved to adjourn the meeting, seconded by Lester Eldridge. The meeting was adjourned at 11:15 p.m.

Given under our hands and seal this eleventh day of March in the year of our Lord, noneteen hundred and seventy-four.

MINUTES OF SPECIAL TOWN MEETING
ROLLINSFORD, NEW HAMPSHIRE
AUGUST 13, 1974

The meeting was called to order by Moderator Albert Labrecque at 7:35 p.m. The moderator read the warrant as written.

Edmund Jansen opened the meeting by moving to accept the resolution as written, seconded by George Theoret. The floor then opened to discussion.

Mr. Theoret asked where Rollinsford stood regarding this resolution. He was told that the low income elderly would be eligible for assistance under the U. S. Housing Act of 1937, as amended. Mr. Theoret asked if Rollinsford's elderly were living in substandard housing and would they be forced to move or leave their homes. Joseph R. Lauze explained that the problem did not exist as a whole in Rollinsford, but financial aid was needed for the elderly. He proceeded to explain that the landlord would receive his rent from two sources instead of one.

At this time, Robert Garneau moved to have Mr. George Bridgeman, executive director of the N. H. Housing Commission, speak from the floor. This motion was seconded by Joseph L. Porter.

Mr. Bridgeman proceeded to explain how the Housing Commission would operate. He also explained that we were not causing people to change residence and that only repairs on substandard housing would be necessary. The present housing situation in Rollinsford would be adequate in the majority of the cases. He also explained that in most cases the landlord would receive up to 75% of his rent from the Housing Commission and the remaining 25% would come from the tenant. Leases will have to be signed on a one or two year basis with the Commission by the landlord with the tenant signing a one year lease with a thirty-day notice clause.

It was further explained that the Town could vote out this resolution by placing an article in the Town Warrant of an Annual Town Meeting.

Joseph Porter asked if low income families as well as elderly would be eligible. Mr. Bridgeman explained that low income families would probably be excluded at this time because only small apartments would be rented.

Albert Labrecque asked if inspection would be necessary of the property in question. Mr. Bridgeman stated that inspections would be necessary to insure decent, safe and sanitary living conditions.

Following more discussion from the floor, the resolution was reread.

At this time, a vote was taken and the resolution passed with a 13 to 1 vote.

Edmund Jansen moved to adjourn, seconded by Honore Ouellette. The meeting adjourned at 8:50 p.m.

Given under our hands and seal this thirteenth day of August in the year of our Lord, nineteen hundred and seventy-four.
